

# List of military equipment of Germany's allies on the Eastern front

*Summary: This is a list of military equipment of Germany's allies on the Balkan and Russian fronts (1941 1945). Other weapons were used for training or national defense purposes in capitals and main cities.*

*This article presents a comprehensive list of equipment, including Western, Italian, and German weapons, in operational use on the Russian and Yugoslav fronts by pro-Axis countries received from these states. It also includes Russian armaments and certain Western equipment in use against Soviets at th...*

This is a list of military equipment of Germany's allies on the Balkan and Russian fronts (1941 1945). Other weapons were used for training or national defense purposes in capitals and main cities.

This article presents a comprehensive list of equipment, including Western, Italian, and German weapons, in operational use on the Russian and Yugoslav fronts by pro-Axis countries received from these states. It also includes Russian armaments and certain Western equipment in use against Soviets at the Eastern Front.
